

****The Brave Hanuman****

In a faraway land, a kind and strong monkey named Hanuman lived. He was a loyal friend to Lord Rama, the king of Ayodhya. One day, the wicked demon king Ravana kidnapped Rama's wife, Sita, and took her to his kingdom in Lanka.

Rama was very sad and asked Hanuman to find Sita. Hanuman bravely accepted the challenge. He flew across the ocean, facing many dangers along the way. He met fierce birds, giant snakes, and even a powerful sea monster!

But Hanuman was not afraid. He used his cleverness and strength to overcome each obstacle. When he reached Lanka, he searched everywhere for Sita. Finally, he found her in a beautiful garden, guarded by Ravana's soldiers.

Hanuman was so happy to see Sita, but he knew he had to be careful. He disguised himself as a small monkey and approached her. Sita was amazed by Hanuman's bravery and cleverness. She gave him a message to take back to Rama, and Hanuman promised to help rescue her.

Hanuman's bravery and loyalty inspired Sita, and soon Rama and his army came to rescue her. Ravana was defeated, and Sita was reunited with Rama.

****The Moral:**** Hanuman's story teaches us that bravery is not the absence of fear, but the willingness to face challenges with courage and determination. We can all be like Hanuman, using our unique talents and strengths to help others and overcome obstacles. Remember, even the smallest acts of bravery can make a big difference!
